Address : Pabna,Rajshahi, Bangladesh

Phone : +8801729414662

Career Objective

Throughout my career as a web developer I've focused on developing scalable and well documented code. I enjoy working collaboratively but can also run with projects on my own. Excited about the prospect of joining a product-driven company like (Programming hero).

Skills

Programming Languages: Javascript

Web Technologies & Frameworks: Html, Css, React JS, Tailwind CSS, Firebase

Version Control: Git and github

Databases: MongoDB

Familiar: NodeJS, ExpressJS, Adobe Photoshop & Illustrator
